FROM:

Director of Training and Education

SUBJECT: Appreciation for Speakers from the Office of African and Latin American Analysis

1. On behalf of our Intelligence Training Division, I want to thank you for providing valuable substantive support to our Regional and Societal Training Program over the past year. 3. We are also currently in the process of consulting with the Intelligence Directorate to learn what kind of training on regional and societal issues is most needed. Several of your senior analysts and managers have made valuable suggestions in this context, and we will be checking with ALA further as the process continues.

4. Our Regional and Societal Training Program depends on support by the Intelligence Directorate, and we hope we can count on continued participation by the Office of African and Latin American Analysis.
